

# D283 Replacement Door

Installation

# Steps

1. Remove old door.
2. Place new door into opening. Door can be installed as a right or left door.

3. Drill the (6) mounting holes using a 15/64" drill bit. One top and bottom and 2 on each side.

4. Use supplied hardware to attach door frame to the Kennel. The screw on the inside of the Door Frame, and the nut on the inside of the kennel.
